- Category B driving license

About me

I am an ambitious, responsible individual seeking new challenges. I possess a broad range of skills, from basic to more specialized, and have always been passionate about game development, artificial intelligence, and web development. Additionally, I am highly communicative and fluent in English, both spoken and written. In my spare time, I occasionally develop applications and websites as a hobby.

Education

2023 – 2027

- **Polish-Japanese Academy of Information Technology**
Warsaw, Koszykowa (IT Major)
I am currently in my second year of Computer Science studies at PJATK, where I am expanding my competencies and skills in the IT field. My studies have allowed me to explore various topics, ranging from databases and information systems to Java, C++, and much more. Upon graduation, I will earn an engineering degree.

2019 – 2023

- **Electronics Technical High School No. 1**
Warsaw, Marcina Kasprzaka (IT Profile)
I graduated in April 2023, having passed the Polish high school final exams and obtained a vocational diploma as an IT technician. Over the course of four years, I diligently developed my skills in the field of information technology.

Experience

Currently

- **Ptak Warsaw Expo**
Data Analyst | Currently (Since March 2, 2024)
I am currently working as a Data Analyst, with my responsibilities centered primarily around Excel and JSON. I am in charge of data processing, validation, detailed reporting, and distributing databases used by call agents who collect customer data for sending out IDs. Additionally, I prepare daily, weekly, and monthly reports for two calling teams. In my day-to-day work, I utilize VBA macros as well as my own Python programs.

2021

- **Komandor S.A.**
Trainee Web Developer | Sep 2021 – Dec 2021
I completed a three-month internship during my technical high school studies, where I gained practical experience and insights into the operational structure of a department responsible for developing and maintaining applications.

Certificates

- **IT Technician Diploma**
2023
I passed two vocational exams with an average score of 95%:
 - EE.08/INF.02 – Programming and Databases
 - EE.09/INF.03/E.14 – Computer Hardware and Networks
